

## EUTox CME Course

Organised in collaboration with ERA-EDTA and ESAO

***“Increasing our knowledge in uremic toxicity:  
the compounds and their variations”***

**Vienna, Friday 16th October 2015**

**Date:** Friday 16 October 2015, 9:00-18:30  
**Venue:** Medizinische Universität Wien, Vienna, Austria  
Room “Jugendstilhörsaal”

**Local organizer:** Gerald Cohen (gerald.cohen@meduniwien.ac.at)  
**General organizer:** Angel Argilés (argiles@rd-n.org)

**Registration:** **On-site**  
**By email** (return the following form to [duranton@rd-n.org](mailto:duranton@rd-n.org))

- **First name:**
- **Last name:**
- **Profession:**
- **Institution:**
- **City and country:**
- **Telephone:**
- **Email:**

**Registration fee:** None

### Course programme

**8:30** **On-site registration opens**

**8:45 – 9:00** **Opening ceremony**

**Àngel Argilés** – *Chairman of the EUTox Work Group*  
**Andrzej Wieçek** – *President of the ERA-EDTA*

---

## Mineral bone disorder and uremic toxicity (1)

*Chairpeople:* Alberto Ortiz, Goce Spasovski

**9:00 – 9:45** Phosphate/mineral metabolism. Mariano Rodriguez (Spain)

**9:45 – 10:30** FGF23 – much more than a phosphaturic hormone in uremia. Danilo Fliser (Germany)

**10:30 – 10:45** Coffee break

## Mineral bone disorder and uremic toxicity (2)

*Chairpeople:* Raymond Vanholder, Mariano Rodriguez

**10:45 – 11:30** Management of vascular calcification. Ziad Massy (France)

**11:30 – 12:15** Phosphate/mineral metabolism - clinical update with the existing guidelines and endorsement ERBP. Goce Spasovski (Republic of Macedonia)

**12:15 – 13:15** Lunch break

## Identification and modulation of uremic toxins (1)

*Chairpeople:* Danilo Fliser, Angel Argilés

**13:15 – 14:00** Identification of Up4U as a potent angiogenic factor. Vera Jankowski (Germany)

**14:00 – 14:45** Dinucleoside polyphosphates in the context of CKD. Joachim Jankowski (Germany)

**14:45 – 15:30** Lysophospholipids as potential uremic toxins. Sébastien Saulnier Blache (France)

**15:30 – 15:45** Coffee break

## Identification and modulation of uremic toxins (2)

**Chairpeople:** *Joachim Jankowski, Ziad Massy*

**15:45 – 16:30** **Effect of uremic toxins on leukocyte functions.** **Gerald Cohen** (Austria)

**16:30 – 17:15** **CXCL16 as an uremic toxin.** **Alberto Ortiz** (Spain)

**17:15 – 17:40** **Oral medication interaction with the microbiome as a source of uremic toxins.**  
**Maria Dolores Sánchez-Niño** (Spain)

**17:40 – 18:25** **Age and uremic toxins.** **Raymond Vanholder** (Belgium)

**18:25** **Closing remarks**

**Àngel Argilés** – *Chairman of the EUTox Work Group*

**Andrzej Wiećek** – *President of the ERA-EDTA*

**Distribution of CME Certificates**
